

ALLERGEN INFORMATION

WINES

Sulfites: All of our wines contain **sulfites**. Wine sulfites are naturally occurring at low levels in all wines. They are a natural by product of the fermentation process and can also be added to halt on-going fermentation and to help protect against oxidation as well as unwanted bacteria and yeasts, which can affect the colour and taste of wine.

BREAD

Ciabatta Roll – Rectangular shaped - **Wheat** flour, **wheat** sourdough, **wheat gluten**, malted **barley** flour. May contain **sesame** seeds.

Baguette – Elongated and cut – **Wheat** flour, **rye** sourdough, **wheat gluten**, malted **wheat** flour. May contain **sesame** seeds.
